| <p>In an effort to make becoming PCI-DSS compliant as easy as possible, Forte has partnered with both a Primary and Secondary PCI Vendor to provide easy-to-use, low-cost tools to help our Merchants with the process of validating compliance. Our PCI Vendors are both an Approved Scanning Vendor (ASV) and a Qualified Security Assessor (QSA) for the card associations. As part of our program, all participating merchants receive Breach Insurance and remediation service, as part of your low monthly fee.</p> <p style="text-align: center;">Benefits Include:</p> <p style="text-align: center;">Access to dedicated PCI support staff, available through Aperia, to assist with the completion of your Self-Assessment Questionnaire (SAQ)</p> <p style="text-align: center;">\$100,000 breach insurance coverage for your merchant account</p> | |
| As a duly authorized signer for _____; I authorize Forte to enroll in Aperia's PCI program. | |
